PASSAGE Gathering

Theme Camp Application 2022

Return to gravitypartymgm@gmail.com by September 9th , 2022

Things to Know

Passage is a place for freedom of expression, community/relationship building, healing, and self reflection, not to mention celebrating to the tune of cutting edge music. We invite your creativity into our space eargerly, with hopes that your own portal opening will introduce others to experiences and sides of themselves they have not yet known.

Passage is incorporating Theme Camps for the first time and has limited space. Submission of an application does not guarantee placement. Please do not take it personally if you don't get placed this year, we love you just the same.

Theme camps are to be volunteer-run, meaning you and each member of your camp will be required to buy a ticket to the event and come prepared to camp self-supported. View the Need-To-Know on our website for more information.

There are 4 locations of varying sizes suitable for theme camps. 3 will have (limited) access to power, one will not. It is important you be precise in the numbers you provide for us for overall space needed and # of campers in your camp so that we can place you properly.

Preference will be given to camps of a spiritual / healing / esoteric nature.

NO sound camps will be permitted. You may use a small bluetooth speaker for ambiance only.

We expect you to be professional about your involvement with our event and treat attendees, staff, and the property with the utmost of respect. We reserve the right to shut your camp down should we come to learn that you are engaging in abusive behavior of any kind.

It is up to you to make sure your camp follows Leave No Trace guidelines. Do not screw/nail anything into nearby trees. Please remove and clean up behind your camp at the end of the event.

Early Arrival Friday is required, setup should be completed by 3pm.

Information:

Name of Camp: _____

Theme Camp Operator (TCO): _____

TCO Phone Number:_____ TCO Email Address: _____
